

Attendance Policy

Voices Rising Community Chorus

Attendance is crucial to our success

1. Chorus members are expected to attend every rehearsal and sign in on the appropriate attendance sheet.
2. If a member knows ahead of time that he/she is going to be absent, an "A" should be marked for that date on the attendance sheet. For an unplanned absence, contact the membership coordinator.
3. Missing more than 30% of rehearsals for any given concert may prevent a member's participation in the concert.
4. Exceptions to this policy are at the discretion of the Director.
